

Shawpak to represent Triangle Package in Canada

Shawpak Systems Limited has been named the Sales Representative in Canada for all **Triangle Package** machines, VFFS Baggers, Cartoners, Combination Weighers, Depositors.

Shawpak has been successfully providing solutions to food and beverage, pharmaceutical and industrial manufacturers since 1984 and is well-positioned with knowledgeable sales representatives across Canada

Triangle Package says this enhanced partnership will allow it and Shawpak to more effectively serve all their customers.

Founded in 1923 Triangle is truly your single-source for packaging equipment. As one of the first companies in the world to manufacture vertical form fill seal bag machines, Triangle helped set an unparalleled standard of excellence in the industry.
